

A SESSION ON CORPORATE SALARY PACKAGE

On 10 Oct. 23, APS Jammu Cantt organised a session with the representatives of State Bank of India for the staff members. The team provided an overview of the SBI Corporate Salary Package which is designed to meet the financial needs of employees in various companies. The package offers a range of benefits including zero balance account, debit card, personal loans, credit cards, overdraft facility, insurance options, bill payment facilities, internet and mobile banking, demat and trading account. It aims to simplify financial transactions, provide access to various banking services and offer exclusive benefits to salary account holders. Key features of the SBI Corporate Salary Package were explained to the staff in the session.

It was an informative session where the queries of the staff members were clarified by the team amicably.
