

## SALUTING OUR SOLDIERS FOR THEIR FORTITUDE ON ARMY DAY

Army Day was celebrated on January 15, 2024 in APS Jammu Cantt to commemorate the day when (then) Lieutenant General KM Cariappa took over General Sir Francis Butcher as Commander-in-Chief of India in January 1949. The day was celebrated to honor our country's soldiers, who set the most exceptional example of selfless service and brotherhood, and above all, love for the country. Students of APSJC dedicated this day to our brave soldiers by conducting a Special Assembly. They recited poems and shared interesting facts about the Indian Army. Also, quiz on Army Day was presented by Punushree of Ashoka House. An inspiring talk on Armed Forces was also delivered by Ms Jatinder Kour, teacher Ashoka House. A parade was also organized with the students playing tunes of patriotic songs.

The Principal of the school, Ms Puneet Kour, speaking on the occasion urged students to recognise the importance of national service and the role we play in upholding the ideals of our great nation. She expressed gratitude to the armed forces for safeguarding our borders and preserving the freedom we hold dear.
