

CAREER COUNSELLING

With the plethora of career options available in the contemporary times, the role of career counselling session becomes indispensable. Taking into consideration the importance of personalized guidance to help the students to choose right career, APS Jammu Cantt organized a career counselling programme for classes X – XII on 15th Dec 2023. The resource person for the session was Dr. Vihang Ghalsasi, Assistant Professor of Biotechnology in Shoolini University. Dr. Vihang Ghalsasi, in his interactive and engaging session gave an elaborative introduction about the various opportunities and scope in the field of research. He substantively explicated that a career in research is rewarding and stimulating. He categorically explained the career options in research which are available in the field of Engineering & Technology, Commerce, Biology, Agriculture, Medicine and Biotechnology. He emphatically stated that a career in research is stable, profitable and lucrative. In the culmination of the session, there was a vote of thanks by Ms. Manmeet Kour, Vice Principal, APS Jammu Cantt expressing her gratitude to Dr. Vihang Ghalsasi for introducing the students to such career paths which they might not have thought previously. The session was worth it.
