

Training alone is rarely the answer to ensure successful behaviour change in the work environment.

DAY-2

27-06-2022 (Monday)

The programme started with a crisp address by the CCA incharge , Ms Sheela Sharma . It was followed by the workshop on **Art Integration** by Ms Tamandeep Kour. She spoke as to how teachers can incorporate art integrated activities in different subjects to make learning more effective and engaging by creating an Interdisciplinary Relationship among them. Ms Jagmeet Kour took a workshop on **Experiential Learning in Practice** .She also laid emphasis on having experiential learning i.e 'learning by doing' beyond four walls of classrooms for life long retention and better understanding. The second session was conducted by Mr Dileep Pandita and Ms Ramneek Kour on **Awakened Citizen Programme**. Purpose of the programme is to ignite the infinite strength and potential inherit in every child. Principal Ms Puneet Kaur appreciated all the resource persons for well and timely conduction of workshops. Ms Seema Rani concluded the session with vote of thanks. Both the sessions were highly interactive, informative and applauded by all.
