

Motivating Session For a Career in Armed Forces At Army Public School Jammu Cantt

‘ As fascinated as one can be by the charisma of the Armed Forces, it is indeed the most unexposed and unexpected way of living.’ Lt Col Yogendra Gaur, a serving officer of Indian Army conducted an engrossing session for the students of classes X, XI and XII on 29 April, 2023 and urged students who aspire to pursue a career filled with excitement, adventure, and challenges to serve the nation by joining the Indian Armed Forces through entries like NDA and TES. He said there is equal opportunity for women to join the Armed Forces and that it is no longer a man’s bastion. He guided the students about Armed Forces as a career option, discussing it in depth with regard to its importance, joining procedure and various lines of options available in terms of its professional scope.

Lt Col Yogendra Gaur took up different queries of the students like ‘how to keep ourselves calm during group discussion, how to apply for TES, how to answer the questions put by the Interview Board and what should be the minimum height ? etc.

The session ended with almost 300 students from classes X, XI and XII feeling motivated and inspired to join the ARMED FORCES.
