

CAPACITY BUILDING WORKSHOP AT ARMY PUBLIC SCHOOL JAMMU CANTT 2022-23

DAY 3
28-06-2022

To begin Day 3rd of Capacity Building Workshop in APS Jammu Cantt, CCA Incharge Ms. Sheela Sharma briefed the teachers about specially abled children, which was followed by a workshop on **Inclusive Education In Practice** by Mr. Ashish Anand, where a short video on Road to Inclusion, was shown. The concept of equality and equity was given along with UDL. Inclusive Education says 'Education for all', where adaptation is inculcated. Six disabilities that are approved by AWES to be catered were made clear and explained how to handle them. The next session was taken up by Ms Kajal Sharma on **Innovation Hub and Technology** and on **Cyber Security** by Nikhar Babuta. In first part of this session numerous innovative applications were shown to the teachers to empower their teaching. Teachers tried their hands on the interactive applications like Edtech, Google Earth, NASA, PhET, Quizziz. The Application QUIZZIZ was the highlight of the day in which teachers were asked to login through their laptops and they participated in a specially designed quiz. Teachers were made aware of the present situation of crimes that are using technology as their backbone. Ms Nikhar Babuta spoke about Cyber Security and get the teachers acquainted about different types of Cyber-attacks and threats to Internet Safety and also explained how to tackle them. A short video on improving Internet Security Quotient was shown which stressed upon 'Pause, Think and Act'. Online Safety Tips were also shared with the teachers.

Principal APS Jammu Cantt Ms. Puneet Kaur gave her words of wisdom in the end and stressed upon using the aforementioned applications to enhance their teaching and use of safety while using the Internet and sharing such information with students from time to time as they are vulnerable to such issues. Ms Ramnik Kour presented a vote of thanks in the end.
