

DIYA DECORATION COMPETITION

On 13 October, 2023, Intra Class Candle and Diya Decoration activity was organised by the school for classes VI –VIII, IX & XII. It was a delightful and culturally enriching activity that allowed participants to explore their creative talents. All the students of each class participated in the activity. The children decorated candles and clay diyas with paints, glitters, beads and other embellishments. The children used their creativity to decorate the diyas. The best decorated candle and diya was judged by each class teacher on the basis of overall presentation and craftsmanship. This activity provided a unique opportunity for participants to share the joy of festival.
