

## **PARENT ORIENTATION SESSION AT ARMY PUBLIC SCHOOL JAMMU CANTT**

The Parent Orientation Session at Army Public School Jammu Cantt, held for classes X and XII on March 18th and March 21st, 2024 respectively, aimed to provide parents with crucial insights into their child's education. Led by Ms. Priyanka Andotra, the school counsellor, the session commenced with an overview of the school's mission and vision, emphasising the importance of fostering a conducive learning environment and nurturing global citizens.

### **Key Presentations:**

Various presentations were delivered by school staff, covering essential topics including the National Education Policy (NEP) 2020, examination schedules, the National Curriculum Framework (NCF) for secondary stages, effective parenting, legal aspects such as the POSCO Act and cybercrime, and the SQAA domains.

Ms. Manmeet Kour, the Vice Principal, delineated the key points of the NEP 2020, discussing its implications on the school's curriculum and teaching methodologies. Mr. Satish Kumar, the Examination Incharge, provided valuable insights into the tentative examination schedule for the year, addressing significant exam-related issues and criteria for board exams. Senior Coordinator Mr. Anil Kumar and Ms. Rajni Chouhan elaborated on the details of NCF for secondary stages, highlighting its alignment with the school curriculum.

Ms. Priyanka shed light on effective parenting practices, along with providing an overview of legal aspects such as the POSCO Act and cybercrime. She emphasised the crucial role of parents in the SQAA domains and their impact on the child's overall development.

Principal Ms. Puneet Kour emphasised the collaborative efforts of parents and teachers in shaping a child's education, underscoring their pivotal roles in the process.

The session concluded with a Q&A session, facilitating collaboration between parents and the school management. This collaborative approach is essential for achieving the overarching goal of nurturing students to become valuable contributors to society.

Overall, the Parent Orientation Session served as a platform for parents to gain essential insights into their child's education and fostered a sense of partnership between the school and parents. Such initiatives are instrumental in ensuring the holistic development of students and preparing them for future challenges.
