

CELEBRATING THE PIOUS OCCASION OF BUDDHA PURNIMA

AT APSJC

Guru is the one who leads a student from ignorance towards enlightenment. In the olden days, purnima was considered as one of the units to measure time. Successive Purnimas reminded the number of years a disciple had spent with the guru in his ashram.

To commemorate the birth and enlightenment of Gautam Buddha , students of APSJC celebrated Buddha Purnima with utmost veneration and sanctity on 4th May 2023. Special assembly was conducted by the students of Shauraya House. The students presented the famous - 'Buddham Sharanam Gacchami" mantra. Teachers talk was delivered by Ms Shafkat Rubina. Referring to the mix of students from all backgrounds on the school campus, the Principal of the school Ms Puneet Kaur threw light on the origin of education since the ancient age and its evolution over the years. She also said, it was a healthy trend as the young learners would be exposed to different cultures. Referring to the occasion of Buddha Purnima, she talked about the life of a Prince who chose the path of wisdom and enlightenment over worldly desires. The students felt motivated to follow and practice the preaching of Lord Buddha in their lives
