The renowned **Fighter** movie actor and a dedicated alumnus of APS Jammu Cantt, **Banveen Singh**, visited the school on 8 May, 2024. The school welcomed him with all smiles and giggles. There was an enchanting ambience all around. Students of the school were on their toes and full of excitement to get a selfie with the famous star.

Banveen Singh is an example of the quote **"just follow your dreams, as they know the way"**. During his interaction with the students, he quoted: the power of dreaming and desiring a goal is the biggest adventure of life. He enlightened the students about how the determination to pursue your aims, lies within your own self. He shared his personal stories of persistence and consistency, that got him the success he had achieved. While reminiscing the values he learnt during his school life at APS, JC, he guided the students to follow the principles of the institution wholeheartedly and imbibe them in their minds.

From passing his 12th from the esteemed institution in 2016, pursuing engineering, doing various acting courses , to sitting and working with the famous personalities like Amitabh Bhachchan.... Banveen's inciting life is a roller coaster ride of chasing dreams on the go!

The exuberant yet humble actor, personally greeted the entire staff and had an intellectual conversation with the Principal Ms. Puneet Kour.
