

“Community Service Outreach Program”

Report : Donation of Sports Equipments and Stationery Items

Under the ‘Community Service Outreach Program’- An initiative of Interact Club of Army Welfare Education Society, a donation drive was carried out by APS Jammu Cantt on 9-12-2024. Five students along with two teachers (Mr Ashish and Ms Taruna) visited Govt. Middle School Kotha Bhour and donated Sports equipments viz 2 Badminton sets, 2 Skipping Ropes, one Football and some Stationery items viz books, note-books, pens, pencils, erasers, sharpeners and other stationary items to the students of Govt. school. The students of APS Jammu Cantt interacted with the children of Govt. school and enquired about their primary requirements and the issues of their day-to-day life. The visit was very yielding for students of both the learning centres as they spent good quality time with each other and were desirous of further more meetings/interactions in the future.
