As the spring sets its foot in the bright glistening summers, we realise the power of resilience and diligence. With our head held high, we share a proud moment, as one of our venerable alumni added a distinguished feather in the cap of Army Public School, Jammu Cantt.

APS, Jammu Cantt feels a great honour and sense of achievement in announcing the magnificent success achieved by our alumna Ms. Aparajita Aryan d/o Dr. Dinesh Kumar and Dr. Rama Anugurana.

She is at the crest of the wave, with her exemplary achievement in the UPSC examination, to become an august IAS officer. She had always been an adroit, dutiful and a paradigmatic learner throughout her scholastic journey. Thus, setting gigantic milestones for our present and coming generations.

While having a word with her, we were overwhelmed with pride and glory, as she had deeply embedded the values and principles of the institution, in her mind and heart. Going down the memory lane to 2013, she acknowledged the tender care and stern enlightenment offered to her by our respectful staff member, Ms. Hitesh Koul. Hence, there was an actual personification of the phrase- in seventh heaven!

APS Jammu Cantt is definitely a Tinsel town today, gleaming with the innumerable tassels of glory, happiness and dignity. Thus, proving our tag line TRUTH (honesty and commitment oneself) IS GOD (is supreme).
