

International Literacy Day Celebration at APSJC

Army Public School Jammu Cantt celebrated International Literacy Day on September 9, 2024 with great enthusiasm and excitement in the morning assembly. The event aimed to highlight the importance of literacy as a fundamental human right and to promote lifelong learning for all. The program commenced with a melodious performance by Sanskriti of class IX and Dilshan Singh of class VIII who sang a beautiful song dedicated to education and literacy, emphasizing the power of knowledge in transforming lives. The harmonious voices set a positive and inspiring tone for the rest of the assembly.

Following the song, a group of students from the middle wing performed a thought-provoking skit that showcased the plight of a young house help who struggled with illiteracy and how the young, informed child of the house pledges to educate and change his life for the better. The skit creatively highlighted the barriers faced by many around the world and underscored the message that literacy is the key to unlocking opportunities and a brighter future. Next in line was a quiz competition, where students from different grades participated in answering questions related to global literacy rates, dates and the importance of education in various parts of the world. The quiz not only tested the participants' knowledge but also served as an educational experience for the audience, making them aware of the ongoing challenges in achieving universal literacy.

The Principal, Ms Puneet Kaur addressed the students, emphasizing the importance of literacy in shaping individuals and societies. She encouraged the students to value education, not just as a means to pass exams, but as a lifelong tool for growth, empowerment, and change.

To conclude the celebration, all students and teachers took a pledge to support literacy initiatives and do their part in promoting education for all, whether by helping peers, participating in community outreach programs, or simply spreading awareness.
