

RAKSHA BANDHAN CELEBRATIONS

On August 16, 2024, our school recently held a special assembly focused on Rakhi making, filled with engaging activities. Vanshika, a student of class VIII recited a beautiful poem that captured the essence of the festival. Students from classes 6 to 8 then performed a vibrant dance, adding to the festive atmosphere. Ms. Monika Kumari (PGT English) delivered a heartfelt speech on the significance of Raksha Bandhan. The assembly concluded with our Principal Ma'am's inspiring words, emphasizing the values of love and protection symbolized by Raksha Bandhan.

Following the assembly, a Rakhi making activity allowed students to showcase their creativity by crafting unique rakhis, making the celebration both meaningful and memorable.

Our school celebrated Raksha Bandhan with the Jawans of nearby 15 Guards Army Unit. The event was held in the AV hall, where jawans were warmly welcomed by the Principal, Vice Principal and Head Mistress students, staff and students. School girls tied rakhis on the soldiers' wrists, symbolizing a bond of protection and gratitude. The soldiers, in return, blessed the students, offered gifts and shared encouraging words, making the celebration truly special.

Celebrating Raksha Bandhan in schools fosters cultural understanding, promotes gender sensitivity, strengthens values like respect and responsibility, while also encouraging creativity through activities like rakhi-making.
