

WORKSHOP ON JAADUI PITARA

On 24th June 2024, a comprehensive workshop was held at the International Delhi Public School in Jammu from 9:30 AM to 1:00 PM, aiming to enhance early childhood education.

The official inauguration and context setting took place at 9:30 AM, laying the groundwork for the day's activities. The first session, focused on the salient features of the National Curriculum Framework for the Foundational Stage (NCF-FS). Discussions encompassed the curricular goals,

pedagogies, and assessment practices recommended in the NCF-FS, along with strategies for capacity building of teachers at the foundational stage.

In the next session, the focus shifted to Balvatikas and their affiliation bye-laws, examining the requirements and regulations necessary for establishing and affiliating these pre-primary sections in schools. This was followed by a practical demonstration of Jadui Pitara and its digital counterpart, e-Jadui Pitara, showcasing their usage and benefits as educational tools.

The final session delved into the state and region-specific customization of Jadui Pitara. This discussion highlighted how the tool could be adapted to meet the unique needs and contexts of different states and regions, ensuring its effectiveness across diverse educational settings.

The workshop concluded with a lunch from 1:00 PM to 2:00 PM, providing an opportunity for participants to reflect on the day's insights and engage in further discussions. Overall, the event provided valuable theoretical knowledge and practical demonstrations aimed at improving foundational education, ensuring better learning outcomes for young children.
